

Welcome to our Story Walk[®]

**Thanks for stopping by our
Story Walk in Seneca Falls!**

**This project is a community
partnership between the Seneca
Falls Library & Seneca Falls
Recreation and it combines the
benefits of physical activity, time
outdoors in nature, literacy, and
family time!**

It's easy! Follow the signposts along the way and enjoy the story with friends and family. There are 14 numbered signs and some posts have multiple pages, so be sure to read all the pages on each post! You'll begin and end in the Jerry Galusha Playground. Have FUN!
