SEWER**

**REQUEST FOR TESTING OF WATER METER**

**DATE:** \_\_\_\_\_

**TO WHOM IT MAY CONCERN**

I request that the water meter for \_\_\_\_\_ be tested for accuracy after receiving notice of high water consumption. I realize that there is a fee of \$25.00 for testing the meter if it is found to be reading accurately and that it will be re-installed after testing. If the meter is found to be defective, the old meter will be replaced with a new meter and a credit will be given for the previous high meter readings.
